

THE RECORD OF DISCUSSION

Between
ZIGONG DINOSAUR MUSEUM
The People's Republic of China
and
PHUWIANG RESEARCH CENTER AND DINOSAUR MUSEUM
Department of Mineral Resources
The Kingdom of Thailand

THURSDAY 11 APRIL 2014
Zigong, Sichuan Province, the People's Republic of China

Pursuant to the visit of the Department of Mineral Resources (DMR) Delegation to Zigong Dinosaur Museum during 9-14 April 2014, Zigong Dinosaur Museum and Phuwiang Research Center and Dinosaur Museum has discussed on the technical cooperation at Zigong Dinosaur Museum, Sichuan Province China on 11 April 2014.

The Zigong Dinosaur Museum was led by Mr. Wan Yi, the Director. The DMR Delegation was led by Dr. Tawsaporn Nuchanong, Deputy-Director General of DMR.

RESULTS OF THE DISCUSSION

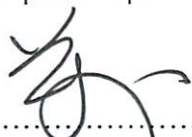

Both sides agreed to have technical cooperation activities in year 2014 as follows:

1. Visit of the Zigong Dinosaur Museum Executive to Thailand Dinosaur Museum and signing ceremony of Agreement to establish a Sister Museum Relationship in Khon Kaen Province, Thailand.
2. Training for DMR technical team on laboratory management, sample collection, sample catalog and field visit on fossil excavation sites in Zigong.
3. Send professionals of Zigong Dinosaur Museum to take part in fossil excavation of DMR.
4. Exchange in fossil samples.
5. Offer the cheapest price of mechanical models for DMR.
6. Invite Zigong Dinosaur Museum to hold dinosaur exhibition in Thailand.

Both sides were aware that all agreed activities would be subjected to their respective plan and budget of their respective governments, and available funding. Both sides also will finance their own expenses. Host countries may provide some assistance, e.g. logistic, vehicle, etc.

Signed in Zigong, Sichuan Province, the People's Republic of China, on 11 April 2014 in English Language.
